

Unali'yi Lodge 236

Order of the Arrow

Coastal Carolina Council, BSA

Brother,

Summer is just around the corner and we're gearing up for another exciting function. But before we go through our whole song and dance about you coming to the incredible Spring Ordeal at Camp Ho Non Wah May 16th – 18th, I'd like to take a moment to fill you in on the exciting changes and other news continuing to shape the face of our lodge.

Elections at the previous function, the Spring Fellowship, yielded some changes to the lodge leadership. Let us congratulate our new officer-elects, Treasurer Juan Carlos Foust, Vice-Chief of Program Greg Kidd, Vice-Chief of Administration David Gregorie, and Lodge Chief Paul Hargrave. These new officers will take office at the upcoming function, the Spring Ordeal.

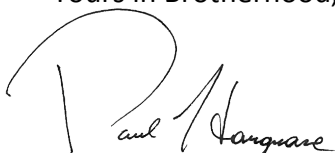

But before that, last weekend of April—from the 27th to the 29th—our Lodge will be sending a contingent of over sixty people to the SR-5 Section Fellowship at Camp Blue Heron, Georgia to represent all of Unali'yi Lodge 236. If you're not yet part of the contingent, we still have room, and I urge you to register while you can! The Section Fellowship is a huge event. Not only is it an event where one can participate in games, go to shows, and help promote Unali'yi Lodge spirit, but it's also one of the best events to get to know the other active Arrowmen in the lodge and from around our section of the Southern Region. Visit www.site236.com for more information.

Finally, since postage costs are rising and there are often delays in receiving written letters (although this one is on time!), the Lodge Leadership has decided to officially implement an e-mail option for our function letters. If you regularly check your e-mail and are interested in saving money for the Lodge, please be sure to indicate the OPT-OUT option on the attached dues form.
