

Unali'yi Lodge 236

Order of the Arrow

Coastal Carolina Council, BSA

Brother,

Oops! It looks like you haven't paid your dues for the Lodge in several years. As you know, in order to wear the flap and sash of the Order of the Arrow, you must pay your Lodge dues in conjunction with your registration for your local unit. We still have you in our database, so if you would still like to have the privileges and title of an Arrowman, we kindly request that you pay your dues to the Council Service Center using the registration form provided on the back of this letter.

If you choose not to pay your dues, you are no longer permitted to wear the tokens of membership, namely the Order of the Arrow sash and Unali'yi Lodge 236 pocket flap.

Before you decide not to re-establish your membership in the Order, I'd like to remind you of all of the brotherhood, cheerfulness, and service that you will miss out on in the future.

Coming up in December (12-14), the Lodge is holding the **Fall Fellowship**, its biggest function of the year. You would be remiss not to join us for a weekend that will go down in history. Friday night we will be having an Oyster Roast on the banks of the Bohicket and a Seafood Extravaganza in the warm dining hall. This, of course, will be followed by a special show and Vigil Callout Ceremony. Later, join us in the Dining Hall around the Christmas tree for a game of cards, hot chocolate, and patch trading, or join the crew out on the Activity Field for a spirited game of Ultimate Frisbee. Saturday the real fun begins! Start out the morning with a turn on the rock climbing wall, sign yourself up for the Guitar Hero tournament, jump in the pool for a polar bear swim, grab your gun for the skeet shoot, or *sign up for the helicopter tours that will be given!* After lunch, join in the laughter as you go around to different stations – pie eating, frozen clothes, cutip jousting, and more – getting your Passport signed for a chance to win cool stuff. Enjoy a funnel cake in the parade field as you get ready for the Vigil Dinner where the main course is PRIME RIB. Top the night off with a make-your-own ice cream sundae and the patch auction and you'll be sure to sleep well that night... if you sleep at all.

Even bigger than the Fall Fellowship is the Dixie Fellowship, which will be held April 24-26 up in North Carolina. Full of more games, more people, and more fun, you won't want to miss out.

Pay your dues today and get back in the Lodge... you won't regret it!

Yours in Brotherhood,

Paul Hargrave
